International Service – Short Term Travel

**AT&T Passport @ $40.00 (one-time charge)**

For 30 days you will have the following international service against your mobile number. Service will end automatically after 30 days.

- **Voice:** $1.00 per min.
- **Data:** 200MB of Global Data
- **Messaging:** Unlimited
- **Overage Cost:** $0.25/MB

$1.00 per minute calling, unlimited sent messaging, and 200 megabytes of international roaming data usage (data overage: $0.25 per additional megabyte) while in select countries listed at att.com/globalcountries. Text, picture or video messages received while roaming are charged at domestic pay-per-use rates or deducted from your domestic messaging package. Outside of these countries, international pay-per-use rates apply. Package is billed as a one-time charge on its effective date and auto-expires 30 days later. For more details, visit att.com/global.

**AT&T Passport Silver @ $60.00 (one-time charge)**

For 30 days you will have the following international service against your mobile number. Service will end automatically after 30 days.

- **Voice:** $0.50 per min.
- **Data:** 300MB of Global Data
- **Messaging:** Unlimited
- **Overage Cost:** $0.20/MB

$0.50 per minute calling, unlimited sent messaging, and 300 megabytes of international roaming data usage (data overage: $0.20 per additional megabyte) while in select countries listed at att.com/globalcountries. Text, picture or video messages received while roaming are charged at domestic pay-per-use rates or deducted from your domestic messaging package. Outside of these countries, international pay-per-use rates apply. Package is billed as a one-time charge on its effective date and auto-expires 30 days later. For more details, visit att.com/global.

**AT&T Passport Gold @ $120.00 (one-time charge)**

For 30 days you will have the following international service against your mobile number. Service will end automatically after 30 days.

- **Voice:** $0.35 per min.
- **Data:** 800MB of Global Data
- **Messaging:** Unlimited
- **Overage Cost:** $0.15/MB

$0.35 per minute calling, unlimited sent messaging, and 800 megabytes of international roaming data usage (data overage: $0.15 per additional megabyte) while in select countries listed at att.com/globalcountries. Text, picture or video messages received while roaming are charged at domestic pay-per-use rates or deducted from your domestic messaging package. Outside of these countries, international pay-per-use rates apply. Package is billed as a one-time charge on its effective date and auto-expires 30 days later. For more details, visit att.com/global.

Mobile Device Choices

Please go to the AT&T web site www.att.com to view the equipment available through AT&T. Pricing can be confirmed by calling UITS Cellular Services at 860-486-4357 and press the options for cellular services.

Accessories

All cell phones come with an AC cord. You may purchase a belt clip or case; however, the cost should not exceed $40.00 with the contracted discount.

Equipment Return

If the equipment you purchased does not meet your expectations, you may return it for another model within 30 days.

Warranty

There is a one-year warranty on all devices.*

**Apple iPhone: You will need to make an appointment with your nearest Apple Store (800-275-2273). Please note, there could be associated fees.

Upgrade Eligibility

You are eligible to upgrade your mobile device after a period of one year.

Cancellation of your Cellular Service

You can cancel your cellular service at any time. There are no “early term fees” under the current contract.
