International Services

Sprint Worldwide Voice Add-on @ $4.99/month
The Sprint Worldwide Voice Add-on offers discounted rates while traveling internationally. Check sprint.com/international for available coverage and rates.
Canada Roaming Add-on @ $2.99/month

For $2.99* per month, you can make local calls in Canada, call back to the U.S. and even receive calls in Canada for $0.20 per minute. That's a savings of $0.39 per minute over standard roaming charges in Canada.

Business Multi-Country International Data Plans for Select Countries

- 120MB Global Data @ $25.00/month
- 300MB Global Data @ $55.00/month
- 800MB Global Data @ $115.00/month

Please visit www.sprint.com/swwdbusiness for complete list of countries. For more information, visit www.sprint.com/traveltips.

Device Choices

Please go to the Sprint web site www.sprint.com to view the equipment available through Sprint. Pricing can be confirmed by calling UITS Cellular Services at 860-486-4357 and press the options for cellular services.

Accessories

All cell phones come with an AC cord. You may purchase a belt clip or case; however, the cost should not exceed $40.00 with the contracted discount.

Equipment Return

If the equipment you purchased does not meet your expectations, you may return it for another model within 14 days from the date of shipment.

Warranty

There is a one year warranty on all devices. **

**Apple iPhone: You will need to make an appointment with your nearest Apple Store (800-275-2273). Please note, there could be associated fees.

Upgrade Eligibility

You are eligible to upgrade your mobile device after a period of one year.

Cancellation of your Cellular Service

You can cancel your cellular service at any time. There are no "early term fees" under the current contract.
