Resetting Your NetID Password

Faculty, staff, and students who have forgotten their NetID password can reset their password at any time. If you have not forgotten your NetID, and only intend to change your password, go to Changing Your NetID Password.

Note
You must have password recovery options set up in order to recover a forgotten password.

Resetting Your NetID Password

1. Navigate to the NetID website.
2. Select the Reset button under "Reset Forgotten Password."
3. Enter your NetID and your date of birth.
4. Click Continue.
5. Choose the password recovery options you have previously set: Email, Text, or Secret Questions & Answers.
6. Follow the corresponding instructions to reset your password.
