Deleting a Personal Name

This article is for faculty, students and staff who wish to delete one of their personal names. You may create and keep up to four Personal Names in addition to the one assigned to you by the University. If you no longer wish to keep a Personal Name, you may delete it.

Deleting a Personal Name

1. Go to pername.uconn.edu and log in with NetID credentials.
2. Click Delete Personal Name from the left-hand side.
3. Under “Delete an Alternate Personal Name (APN),” click the radio button beside the name you wish to delete.
4. Click Delete APN.
5. A green success bar will appear noting that the selected APN was successfully deleted.
